2044 ATWOOD AVENUE

This represents a truly unique opportunity in an outstanding neighborhood, with a one-of-a-kind Schenk's Corners location. Originally built as a furniture store in 1926, this building features a timeless façade and truly remarkable bones. The location has been home to restaurants and food production in the decades since the furniture store departed. The building will be restored and updated, with outdoor seating areas, indoor/outdoor nanawall options. Cast concrete on the main level over a full basement with multiple access points provides a solid footing for any use. Brick sidewalls can be altered to suit with additional windows, doors, or operable features. 2044 Atwood Avenue is the ideal space for a café, restaurant, deli, or retail. Its distinct features would also be great for stylish office space, health & a wellness center, boutique retail, fitness, salon, or a bed & breakfast.
